RECOMMENDATION LETTER

This is a reference to any company that inquires electronic equipment and optional equipment supplier in automotive industry in Kazakhstan. In this context, I would like to recommend Liberty Group LLP. Our company ("Toyota Tsusho Kazakhstan Auto" Lexus Centre Almaty") has been using their services for the past 3 years. We are satisfied with their service and they never gave any reason to complain.

Liberty Group LLP is owned and operated by Mr. Anton Komlev, whose knowledge of car electric accessories and components is impressive. We gave reference to Liberty Group LLP to several companies, and Mr. Komlev found solutions for all kind of requests from these companies. Moreover, Liberty Group LLP have received only positive feedbacks concerning their work and solutions.

All 3 years of our experience working with Liberty Group LLP have been very positive, and to our knowledge, this company has a good history of timely and successful completion of its job.

We recommend Liberty Group LLP to any company that wants to have responsible and trustworthy partner.
